    <section id="about">

        <h2>About Me</h2>

        <p>Hello! I'm a passionate student pursing Bachelor's degree in IT at the College of
Science and technology. I am currently in 2nd year, trying and learning new stuffs everyday.
Currently I am keen into being a web developer with skills in HTML, CSS, and JavaScript.
Therefore, trying my best to learn and create beautiful and functional websites.</p>

        <h2>Projects</h2>

        <div class="project">

            <h3>Snake Game</h3>

            <p>During my 2nd semester, I had an amazing oppurtunitty with some of my mates to
built a snake game using Java and database such as MySQL. It was a fun experience to built it
and play it too.  <a href="#">View Project</a></p>

        <div class="project">
```

```
        <h3>College Web</h3>

            <p>During my 3rd semester, me and some of my freinds worked on Figma to built a
demo website for our college. the website basically replicated that of the old college website
but we also added some features that we thought our college needed. <a href="#">View
Project</a></p>

        </div>

 <div class="project">

            <h3>WorkEase AI</h3>

            <p>During my term break, I took a course for MLops and AI where I meet some
incredible friends and we built a web which takes your workload per week and then give you
suggestions on taking break when necessary and even recommended some good habits to keep
up with. <a href="#">View Project</a></p>
